

## *Choosing the Right Paint or Texture Coating Contractor*

### *Yes or No ?*

Does the competition's warranty state in writing that you get :

- A LIFETIME Warranty against cracking ?
- LIFETIME Warranty on labor as well as materials ?
- A Warranty for Waterproofing ?

Wieder Express / *Stretch Guard* Warranty does!

### *Yes or No ?*

Does the competition's warranty specifically NOT COVER :

- Entry and exit areas
- Wood ( hint: Look closely at the
- Fascia boards warranty from "TCA" )
- Overhangs (eaves)
- Trim
- Anything that moves (doors, garage door, windows, etc)

Wieder Express / *Stretch Guard* DOES Cover these parts!

Does the competition offer an oil-based coating that's less safe for your family and the environment?

(Wieder Express offers a water-based coating that's safe for your family, your pets and our Earth.)

Does the competition have a **general contractor** license?

Wieder Express has a **specialist C-33** license in paint and protective coatings (paint, textured coatings, stucco, interior paint).

Does the competition guarantee in writing that they will not use **day laborers** or sub-contract the job to another company?

Can you go to the competition's **office** and see the workers, equipment and materials, or is it their kitchen table? Or is it a SALES office with no equipment, because they have someone else do the actual work?
